Your approval is valid from 1 January 2017 and ends on 31 December 2017 unless it is otherwise suspended or cancelled.

The approval allows you to export waste industrial for treatment and recycling to these specified approved overseas sites.

Suspension and cancellation of approval

We may suspend or cancel your approval where it appears to us that you have failed or are likely to fail to comply with any of the conditions of approval. Suspension or cancellation may extend to one or more of your approved overseas sites, or may apply to your whole approval. Your whole approval will cease to have effect if you cease to be an exporter or if you request that your approval should be cancelled.

You must notify us immediately, in writing, of any changes to the details submitted with your application. If you wish to export to any additional overseas sites you must submit an application to extend your approval to cover these sites, which will incur a charge of £110 per additional site.

You must ensure that all international shipments of waste batteries are in accordance with the Waste Shipments Regulations. More information on this can be found on our website at www.environment-agency.gov.uk/wasteshipments or by contacting our International Waste Shipments team on 01925 542265 or emailing to naffts@environment-agency.gov.uk.

This approval does not replace any other environmental authorisations that you may have for the site. You must continue to comply with these and other relevant legislation.

Please contact Caroline Stanley on 03708 506 506 if you have any queries.

Yours sincerely
